

AQUALUNG® KODIAK 360 SAR

Military & Professional

Field-Proven Drysuit for SAR Applications

The KODIAK 360 SAR features full wrap Captive Suspension Flex panels at the waist and thighs, providing maximum flexibility and comfort. The KODIAK 360 SAR is perfect for teams that require drysuits that fit a wide range of divers with optimal performance.

Key Features

- Patented Captive Suspension Panel around waist and knees
- Tough Quadflex nylon material for suit body
- Two Matrix Base Plates and one Compak pocket
- Polytex neck seal and bell-shaped wrist seals (see SLT option)
- Air control knee pads
- Apeks exhaust and inflate valves
- Reflective SAR or RESCUE armband included (please specify)
- Choice of Comfort Boots or Multi-Laminate Shell Socks (ideal for use with EVO4 Boots - purchase separately)
- Includes internal suspenders, inflator hose, and drysuit bag
- Surface swimmer version available (no valves)
- Seal Lock Technology (SLT) system available (see below)
