

AQUALUNG® OSPREY DRYSUIT

Military & Professional

Breathable Drysuit for Water Rescue

The OSPREY is a long duration breathable drysuit designed for swiftwater, flood, and other water rescue missions. The unique design of the OSPREY allows for a comfortable stand-by mode while still offering critical protection in unpredictable environments

Key Features

- True self-entry featuring Captive Zip Design (patent pending)
- Patented adjustable full circumference neoprene neck seal
- Superior fit and comfort assisted by pre-shaped legs and torso
- Comfortable standby mode design with highly flexible T-zip
- Saltwater resistant waterproof breathable material
- Attached over jacket for fully donned or standby mode
- Anti-flush wader belt located under jacket
- Reinforced padded elbows, knees/shins, and seat
- Neoprene wrist seals, gauntlet overlays, hook & loop cinches
- Lower leg boot gauntlets with hook & loop cinches
- Zippered chest pocket
- Relief/comfort zipper
- Attached soft dry socks (ideal for use with EVO4 Boots)
- Loop shoulder panels for adhering patches
- High visibility red top, black bottom and reflective patches
- Accessories - zipper lube and Instruction Manual

Specification - Material
